# REPORT OF COUNTY COMMISSIONERS.

---

*To the citizens of Strafford County :*

As required by the state laws of New Hampshire, we present you our fourth annual report of the financial standing of the county, together with the report of the superintendent of the county farm, treasurer, clerk of the court, solicitor, jailor, sheriff, physician and auditors.

The financial condition of the county is satisfactory. The debt in the last four years has been reduced from \$131,674.11 to \$66,479.88, a reduction of \$65,194.23, while the amount raised, by taxation, to meet county expenses, has also been reduced from \$86,000.00, the amount raised the last year of our predecessors' term of office, to \$76,000.00.

In view of these facts, we think the charge of extravagance on the part of the present board of commissioners unfounded.

By the advice and help of the county delegation, we have been able to make many needed improvements at the county farm, and to-day we have one of the best, if not *the* best institution of the kind in the state. It is a plant to the credit of the county and one they may well feel proud of.

This has largely been brought about by the clear judgment and indefatigable energy and industry of the prince of superintendents, Edward A. Willand.

The matron needs no recommendation at our hands. The many visitors to the farm during the past four years at all times and under all circumstances have in no single instance found the place other than a pattern of neatness and order, and the poor unfortunates, in their sick and helpless condition, receiving her watchful and untiring care.

To Rev. I. W. Beard, as chaplain, we desire to express our appreciation of his constant care to relieve the sufferings of our poor, and to point the way to a future life.

Dr. A. P. Richmond, county physician, for his kind and faithful attention, is also entitled to our warmest thanks.

While we have been particularly favored by faithful and efficient employees in all departments of the county, we extend our heartfelt thanks to them all for their hearty co-operation in all our efforts to promote the interests of the county.

We must not forget the hard worker, the warm-hearted Thomas Tolmay, the most accommodating janitor of the court house, who has endeared himself to every one who has had business to transact at that place.

# REPORT OF SUPERINTENDENT.

---

FROM JAN. 1, 1896, TO JAN. 1, 1897.

*To the Commissioners of Strafford County:*

Gentlemen:—I hereby submit my fourth annual report as superintendent of Strafford County Farm for year ending Jan. 1, 1897. Necessarily it will be somewhat the same as in the previous years of my administration.

For satisfactory improvements made by you, tending toward facilitating my labors, and for generous co-operation in my duties, I tender my thanks.

To Dr. A. P. Richmond, county physician, I am indebted for constant valuable aid. The association with Rev. I. W. Beard, county chaplain, has at all times been both pleasant and helpful. To both gentlemen I express my gratitude.

I am glad also to render publicly my appreciation of the faithful assistance of the employees at the farm.

*Respectfully submitted,*

EDWARD A. WILLAND,

SUPERINTENDENT.

## REPORT OF CHAPLAIN.

---

The characteristics of my work as county chaplain are much the same as in previous years. I find the inmates well cared for, and in the main happy and contented. They seem to highly appreciate our weekly religious services, joining heartily in the singing, and giving their interested attention to the preaching. I am very seldom called to officiate at funerals. This is due to the fact that Mr. Willand takes great pains and trouble to see to it that the dead are buried among their own people in their own town. I believe not one has been buried at the county farm since Mr. Willand has been superintendent. This is very much to his credit. Friday, Jan. 1st, the young ladies representing the various churches in town gave the fifteenth annual Christmas tree at the farm. It was the most successful of any they have given.

*Yours respectfully,*

ITHAMAR W. BEARD,  
CHAPLAIN.

## REPORT OF PHYSICIAN.

---

*To the commissioners of Strafford County:*

Gentlemen:—It is my agreeable duty as county physician to submit the following report for the year ending, December 31st, 1896.

The work of the past year has not been marked by any epidemic at either farm or jail; but the number of cases requiring attendance have been unusually large. At the farm the regular routine work has been performed, the cleanliness and good care taken of the sick by the matron having been of material aid to the physician in his work.

At the jail there has been the usual amount of sickness; but no cases worthy of note here.

In the city the work has been greatly increased by the serious epidemics of measles, diphtheria and scarlet fever. At the present writing all but the last have subsided, and that is gradually abating.

I take pleasure in publicly acknowledging my indebtedness to the several officials in charge of the county institutions for the kind assistance so often rendered me in the discharge of my duties as county physician.

The following is a list of the deaths at the county farm during the year:

Date.	Name.	Age.	Cause of Death.
March 5,	Mark Tuttle,	87	Paralysis,
April 4,	Billadeau child,	2 mos.	Marasmus.
May 10,	G. H. Morrison,	42	Loco-motor Ataxia.
June 10,	Thomas Burns,	38	Heart Disease.
Sept. 7,	Reuben Seavey,	82	Old Age.
Nov. 12,	James McDonald,	53	Chronic Alcoholism.
Nov. 12,	S. L. Gray,	75	Paralysis.
Dec. 12,	Hiram Thayer,	47	Insanity.

*Respectfully submitted,*

ALLEN P. RICHMOND, M. D.
